

SYNERGY OPENS NEW OFFICE IN THE UNITED KINGDOM

New Location to Help Better Serve European Customers and Further Expand Syntergy's Market Reach

La Jolla, CA – March 2, 2009 – Syntergy, a leading provider of replication technology and products that extend Microsoft SharePoint™ Products and Technologies, today announced it has opened a European office in the United Kingdom. The strategic location of the office, near London, UK, will enable Syntergy to further expand its market base and better serve its existing clients.

“Following the success we experienced in 2008, we are pleased to extend Syntergy’s operations into the UK,” said David Seaman, Chief Operating Officer, Syntergy. “By expanding our sales and support teams, we will be better positioned to take advantage of the continued adoption of Replicator for Microsoft SharePoint™ by globally distributed organizations.”

Strengthening Syntergy’s continued corporate growth and its strategic direction, new permanent local sales and technical support staff have been brought on board to help provide even better service to Syntergy’s federal government and military clients.
